### PRINCIPAL'S MESSAGE

#### Wise Saying to Share:

*You made effort and yielded a good result; it becomes confidence.*

*You didn't make effort but still yielded a good result; it becomes insolence.*

*You didn't make effort and didn't yield a good result; you'll have regrets.*

*You made effort, but didn't yield a good result, you'll left with good experiences.*

The Indian summer finally is over, and the pleasant season of autumn is here. JLS stu-

dents should be able to concentrate on studying and enjoy playing sports in this cool weather.

After the new school year began, September and October ran by very briskly. Autumn is a season for soccer, volleyball and other sports. Some of our Saturday students have to come to school late, leave early or miss entire classes due to their practices and games. Yet, they try hard to at-

tend the classes as much as possible without quitting school. We are grateful to the students and their parents for their diligence and commitment to this school. However, if students miss too many hours of instruction, it gets harder to keep up with the class. Therefore, parents' support is very crucial. Please help your children study everyday even for 5 to 10 minutes doing homework, and going over the class lessons. For both American regular school and Japanese school, it is very important for students to develop "good study habit." A small daily effort becomes a habit, and studying becomes a daily routine. As a result, studying is no longer a big troublesome chore. Without parents' nagging or other people telling children what to do, being able to make small efforts by themselves is helpful skill for studying, playing sports, getting better at something and work. Tokio Honda says, "Throughout our life, there are so many tasks that appear to be difficult. But, the most of difficult tasks can be done with an accumulation of small efforts."

With an accumulation of small efforts, we can master things that are difficult or we are not good at. We end up liking the difficult things like playing piano, acquiring languages and so on when we become good at it. Please be the biggest cheer leader of your children. Our children need a lot of help and encouragement. We also need to be a good example of our children. Children learn from what their parents do. Perhaps, we as parents also set our own goals to attain or new challenges we try tackling.

The replacements of three teachers who resigned last school year are Ms. Sachiko Sugaya (Kindergarten), Mr. Masaru Yashiro (6th & 7th), and Ms. Kuniko Marquez (Nyumon TA). They are very pleasant and wonderful

people. All the teachers are working harmoniously, and having fun teaching classes. Let us have another successful school year!

### APPRECIATION

1) All JLS and preschool teachers were invited by PTC to its annual event, Sawa-kai (Tea Party.) We had a good time chatting with room parents and eating delicious foods catered by the PTC. Rev. John Iwohara also joined the party and gave us a short but wonderful sermon.

Thank you very much for the invitation. We are grateful to all the PTC officers, advisors and room parents for supporting the newly elected PTC president, Ms. Godinez and pursue all the events.

2) Mr. & Mrs. Isao Takahashi, JLS parents brought so many boxes of golden kiwis to the JLS office. We gave some boxes to the church to share. They were so sweet and delicious! Thank you very much.

## PTC NEWS

Welcome back to the new school year of 2016-2017 at Gardena Buddhist Church Japanese Learning School and Nakayoshi Preschool! I hope all of the students find the beauty of Japanese language again this year, through their hard work under the guidance of our experienced teachers.

This year, I feel like being a new student as well – Ms. Nancy Hamasaki, who has been the heart and soul of the PTC organization for many years has retired from her presidency and passed the baton to me. Although it is too big of a shoe to fill, I will try to do my best. I'd like to ask all of you to support PTC more than ever so that we can continue on our contribution to the school.

The PTC will be coordinating our usual events again this year: fall chicken curry sale, mochitsuki, spring sale, and year-end parties/activities for both daily and Saturday division students. All of our events require a lot of manpower and parental support. We hope you'll come to help with these events for our kids – it is a great opportunity to get to know other parents, too.

If you haven't done so, please fill out and return the green PTC information form as soon as possible, so that the class representatives can send emails with various information to you in a timely manner. If your class doesn't have the class representatives, please consider becoming one!

The PTC meeting is to be held on the first Saturday of the month except for January and May. Please make sure to attend the meetings if you signed up as a class representative,

On October 22nd, we held the "Sawa-kai (tea party)" with class representatives and teachers. Everyone had a good time. We thank all the parents who helped prepare for the event.

I'm looking forward to working with you!

————— Yoko Godinez, PTC President

### Next PTC Meeting:

- Saturday, Nov. 5th at 8:45 am in the Cooling Room.
- Saturday, Dec. 3rd at 8:45 am in the Cooling Room.

## MARUKAI RECEIPT FUND-RAISING

Thank you very much for giving us Marukai receipts for the fund-raising over the last many years. After collecting receipts, we sum up the amount and bring them to the Marukai office. They then send back a check (2% of the total amount before tax) to this school. Mr. Matsu, the former owner of Marukai, kindly agreed to do this fundraising. Even after Mr. Matsu sold Marukai to Don Quixote, its President has agreed to continue supporting our school. We are so grateful to Mr. Matsu and the President of Don Quixote. We also appreciate everyone for bringing receipts to the school.

Recently, Marukai has made certain requests. Please pay attention to the following things:

### 1) We bring receipts monthly and not keep them for many months.

So, please bring your receipts as soon as possible, ideally within the same month of shopping.

### 2) The dates of any receipts need to be within 6 months. Please check your receipt date before bringing them to school.

### 3) Receipts they don't accept:

- Tokyo Central receipts
- Receipts for gift certificate purchases
- Receipts without dates (If you are worried about the last 4 digit credit card number, please black out with a black marker pen.)

Sorry for your trouble, but your continued support and cooperation will be greatly appreciated.

## REQUEST

When you pick up your children, please come to the designated area to meet your children, especially, lower grade students. Teachers cannot bring your children to your cars. The parking lot is dangerous for small children to look for their parents alone. We appreciate your cooperation.

## WORLD TSUNAMI AWARENESS DAY - NOVEMBER 5

The In December 2015, the UN General Assembly designated 5 November as World Tsunami Awareness Day.

World Tsunami Awareness Day was the brainchild of Japan, which due to its repeated, bitter experience has over the years built up major expertise in areas such as tsunami early warning, public action and building back better after a disaster to reduce future impacts.

The date for the annual celebration was chosen in honor of the Japanese story of "Inamura-no-hi", meaning the "burning of the rice sheaves". During an 1854 earthquake a farmer saw the tide receding, a sign of a looming tsunami. He set fire to his entire harvest to warn villagers, who fled to high ground. Afterwards, he built an embankment and planted trees as a buffer against future waves.

The UN General Assembly has called on all countries, international bodies and civil society to observe the day, in order to raise tsunami awareness and share innovative approaches to risk reduction. It also asked the UN office for Disaster Risk Reduction (UNISDR) to facilitate the observance of World Tsunami Awareness Day in collaboration with the rest of the United Nations system.

The debut World Tsunami Awareness Day focuses on education and evacuation drills.
